

Oh boy, does Mommy need one of these

Who doesn't like a tee with a little attitude? This t-shirt definitely qualifies: you can purchase a "Mommy Needs a Time Out" t-shirt from TimeOutSpots.com. It's a fun little play on words left to your own interpretation. The tees are embellished with Swarovski crystals - cute, and trendy as bling is in on clothing this season.

Visit TimeOutSpots.com to shop for your tee and select from a solid or ringer tee. Use coupon code "[mommieswithstyle](#)" for 10% off your order. Each shirt come packaged in a cello bag with a matching ribbon and washing instructions.
