Celebrity Find: Time for Time Out

What: [Time Out Spots](#)

Why: You like to think of your tiny tot as an angel, but there are some days when she's everything but. Know what we're talking about? Then you'll appreciate Time Out Spots, a handy tool created by a teacher turned mom to help parents define a safe, consistent place for time outs. Available in pink, blue and brown, these sassy rugs are perfect for the sassy kid (and big enough for those days when your hubby needs a time out, too).

And don't think you're off the hook. For those days when you're just as bad, they have a shirt that says 'Mommy Needs a Time Out' (\$20).

Price: \$22

Find it: timeoutspots.com

Celebrity Fans: Shar Jackson (a return customer) modeling the 'Mommy Needs a Time Out Shirt' at the Golden Globes Boom Boom Room.
